## Pocket Chart Song, available in either English or French: \$8.00

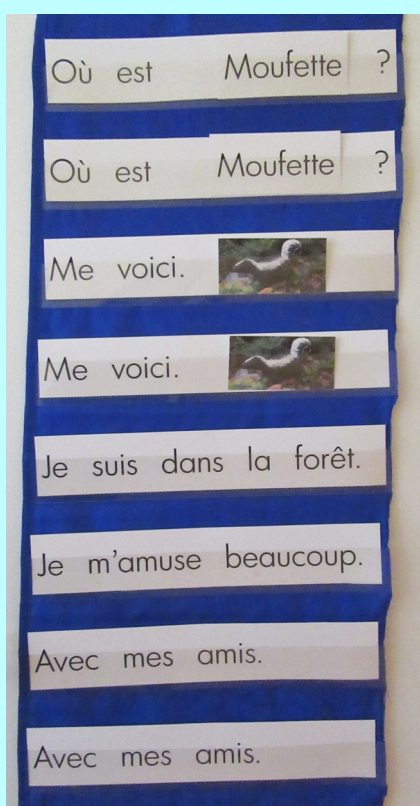

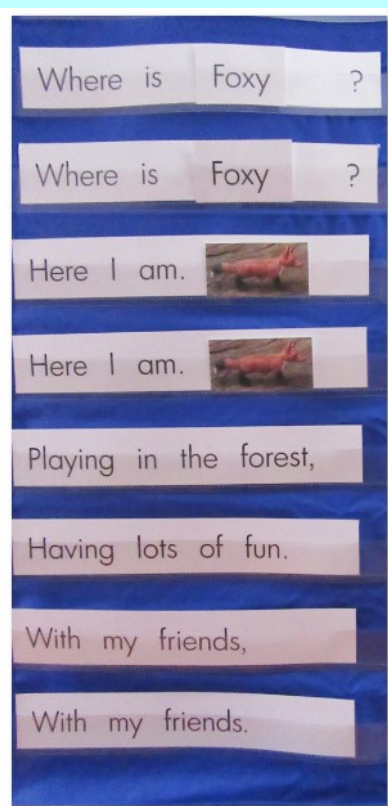

Use this little song (sung to the tune of Frère Jacques) to introduce your students to the names of the characters in Foxy and Friends Books. When children are familiar with the names of the characters in a book, their attention and energy can be focused entirely on reading the story.

Where is ?	Foxy	Mama Bear	Foxy	Mama Bear
Where is ?	Owl	Skunk	Owl	Skunk
Here I am.	Beaver	Baby Bear	Beaver	Baby Bear
Here I am.	Moose		Moose	
Playing in the forest,				
Having lots of fun.				
With my friends,				
With my friends.				

**Size:** Comes on 6 sheets of glossy 11X17" cardstock paper. The lines of the song and the individual names of the animals and their photos can each be cut out for use on a pocket chart (see below) or with magnets on a magnetic whiteboard.

Où est ?	Renardo	Maman Ours	Renardo	Maman Ours
Où est ?	Hibou	Moufette	Hibou	Moufette
Me voici.	Castor	Bébé Ours	Castor	Bébé Ours
Me voici.	Original		Original	
Je suis dans la forêt.				
Je m'amuse beaucoup.				
Avec mes amis.				
Avec mes amis.				

This activity can be done with the whole class or set up as a centre where the children move the words and pictures and sing the song individually or in small groups.

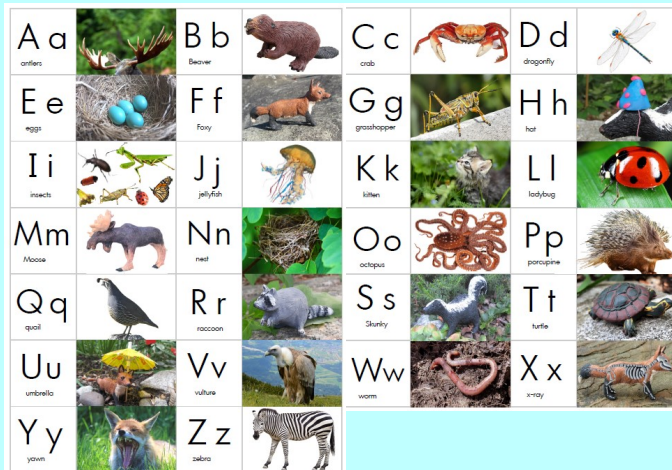

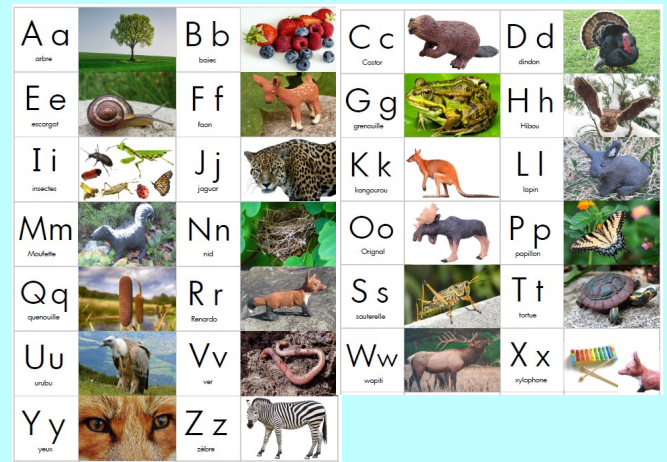

# Foxy and Friends Alphabet Charts

These alphabet charts are available in both English and French. They are printed on glossy cardstock, each sheet is 11x17 inches (2 sheets per alphabet). The 2 sheets can be put together to create one wall chart, A-Z, or they can be cut up into individual cards.

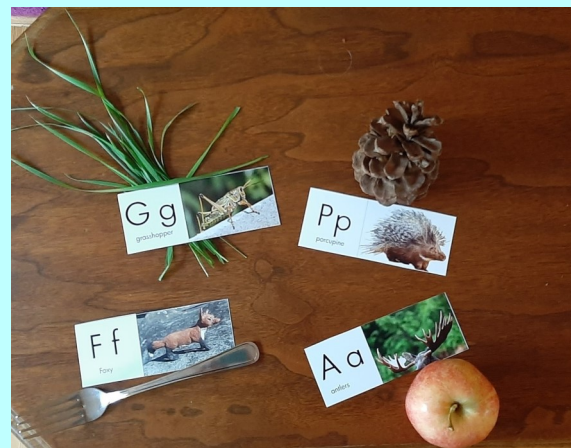

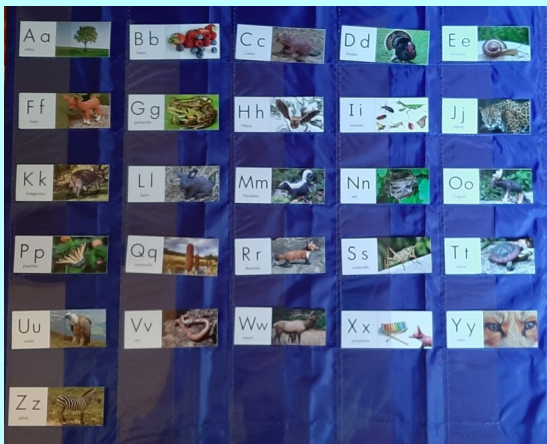

English: \$8.00

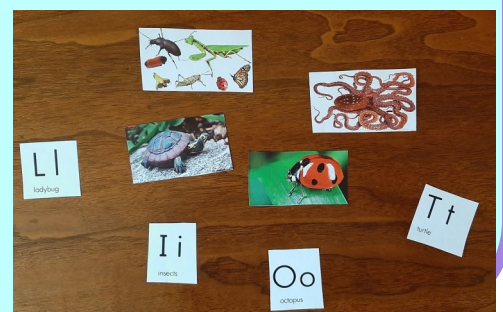

French : \$8.00

Cutting the alphabet into individual cards opens up many opportunities for children to explore letters and their sounds.

If you purchase 2 sets of the alphabet the children can have great fun playing card games such as Go Fish or Memory. Or, find a partner with the same letter/sound card. Or, cut the letters and the pictures apart and play matching games!

These take-home student books were designed to support the Come Read With Me program offered in many school districts. Come Read With Me is a program offered to parents/caregivers of grade one children. The parents receive guidance on how to support their child with reading at home. They are given strategies as well as games and a book. Some districts are using **Look at the Animals/ Regarde les animaux** and/or **Look at Me! / Regarde-moi !** as the book they give to each grade one student. These little books are a perfect take-home book for grade one students, perhaps as part of the Come Read With Me program, or another purpose suited to your school or district.

On the last page of the book, there is a place for the child to draw their own picture.

Please note:

Please contact me to order these books.

These reduced prices are only available on the student versions of Look at the animals/ Regarde les animaux and Look at Me! / Regarde-moi ! These prices do not apply to any other Foxy and Friends books. Also note the minimum order of 50 copies.
