Foxy and Friends Books

Foxy and Friends Books are written to encourage outdoor play and story workshop. They have a focus on friendship and kindness. There are 30 titles in the collection and all the stories revolve around Foxy and his forest animal friends.

There are 7 animal characters:

All the photographs were taken in British Columbia: in the mountains, by the creeks, in the forests, on the beach, in the desert, and in my back yard! Children love the characters and the stories in English and French!

Pocket Chart Song, available in either English or French: FREE download!

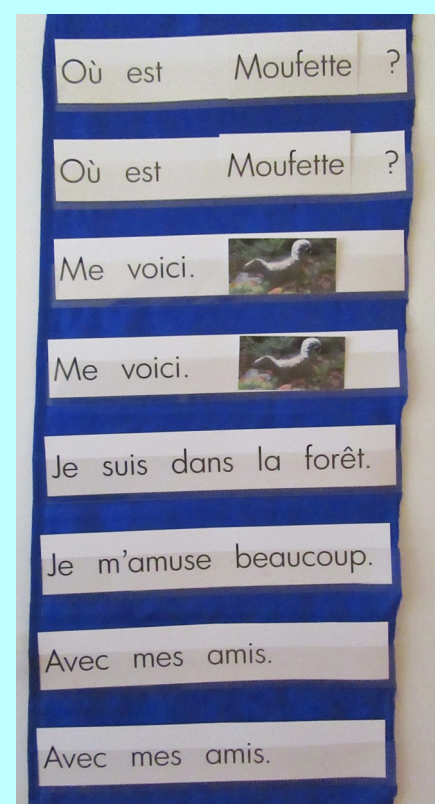

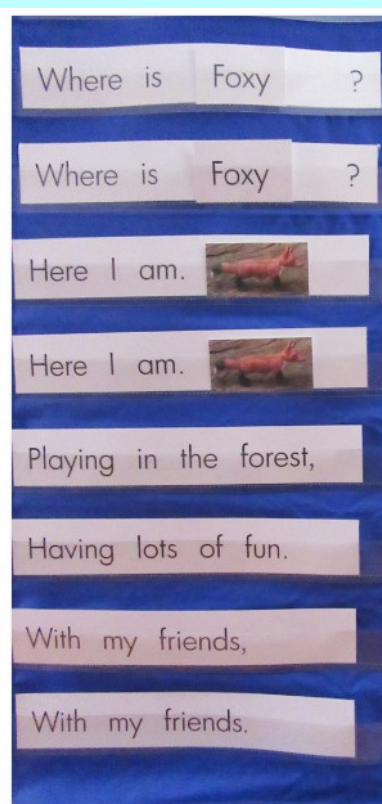

Use this little song (sung to the tune of Frère Jacques) to introduce your students to the names of the characters in Foxy and Friends Books. When children are familiar with the names of the characters in a book, their attention and energy can be focused entirely on reading the story.

Where is ?	Foxy	Mama Bear	Foxy	Mama Bear
Where is ?	Owl	Skunk	Owl	Skunk
Here I am.	Beaver	Baby Bear	Beaver	Baby Bear
Here I am.	Moose		Moose	
Playing in the forest,				
Having lots of fun.				
With my friends,				
With my friends.				

Size: Print on 6 sheets of 11X17" cardstock paper. The lines of the song and the individual names of the animals and their photos can each be cut out for use on a pocket chart (see below) or with magnets on a magnetic whiteboard.

Où est ?	Renardo	Maman Ours	Renardo	Maman Ours
Où est ?	Hibou	Moufette	Hibou	Moufette
Me voici.	Castor	Bébé Ours	Castor	Bébé Ours
Me voici.	Original		Original	
Je suis dans la forêt.				
Je m'amuse beaucoup.				
Avec mes amis.				
Avec mes amis.				

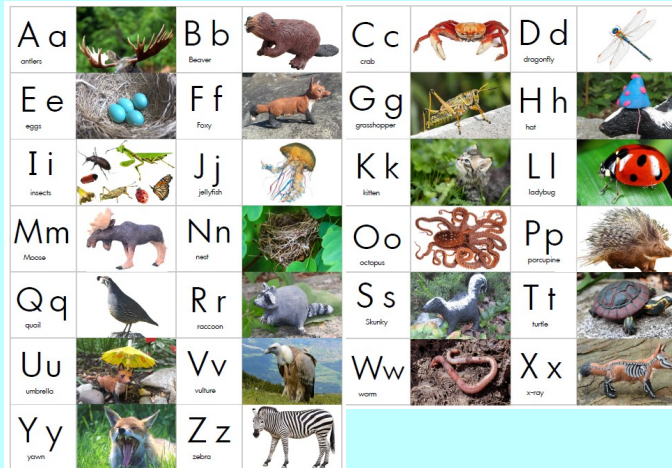

This activity can be done with the whole class or set up as a centre where the children move the words and pictures and sing the song individually or in small groups.

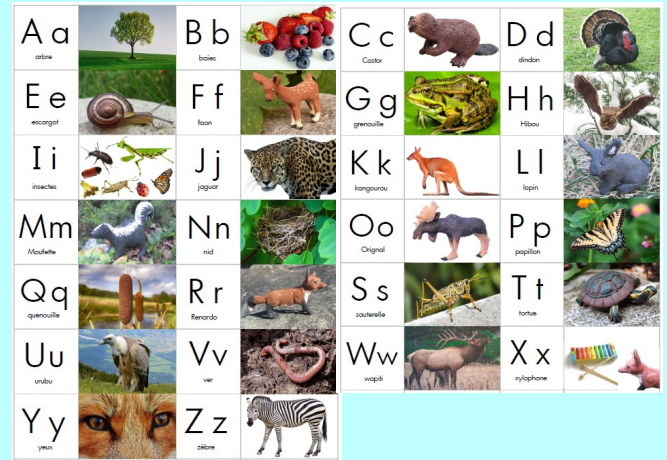

Foxy and Friends Alphabet Charts

These alphabet charts are available in both English and French. Download and print on 11x17 inch cardstock (2 sheets per alphabet). The 2 sheets can be put together to create one wall chart, A-Z, or they can be cut up into individual cards.

French : FREE download

Cutting the alphabet into individual cards opens up many opportunities for children to explore letters and their sounds.

If you download 2 sets of the alphabet the children can have great fun playing card games such as Go Fish or Memory. Or, find a partner with the same letter/sound card. Or, cut the letters and the pictures apart and play matching games!
